

- BE AS LOUD AS ONE'S WORLD, TO speak to one's surroundings.
- HAVE ANOTHER FIGHT FOR THE WORLD, TO fight for the rights one had neglected.
- PUT IN A GOOD WORD FOR, to speak favorably of.
- TAKE THE WORDS OUT OF ONE'S MOUTH, to say what is not what another person intends to say.
- WEIGH ONE'S WORDS, to choose one's words carefully, to speak with intention, to be sure.
